Anna/Roberta, here is the approval from Larry and Rob. Please let me know when the transfer has been completed on Thursday. Thank you!

Should I be copying someone in Treasury on these requests? We may have a payment in March.

Hi Larry,

The 2015 AOP included \$41.3M of Copaxone donations. Teva has paid \$35M, with \$10M in December and \$25M in January. The remaining budget is \$6.3M between Q1 and Q2. We are requesting your approval to use the remaining funds and increase the payment to \$8.5M. Could you please reply all with your approval and include Rob requesting his approval? After Rob approves, I will work with Accounting and Treasury to complete the payment. The wire transfer form is attached for your reference.

Thanks,  
Rachel
